

## Frequently Asked Questions

**1. How many children do the kindergarten accept?**

The kindergarten is primarily for children aged 3-6 / 7 who are required to attend kindergarten

**2. When does the kindergarten application start and how long does it take?**

Operation will begin on September 1, 2022 . Enrollment will be in April. We are trying to come up with a solution that allows you to sign up in person without waiting and in compliance with epidemiological rules.

It is also possible to join during the school year; we expect the continued connection of children reaching preschool age in the first place. It is also possible to transfer children to another institution, but in this case we ask parents to consult with the management of the kindergarten.

**3. Is there a recording during the year?**

If there is free space, it is possible to register and register all year round.

**4. How many groups start in total?**

The kindergarten has 4 group rooms that can accommodate 100 children. The start of the groups depends on the number of children registered.

**5. Who can apply?**

The children of all colleagues working for MOL Group companies can apply to Égigérő Óvoda .

**6. Can I watch Ovi?**

We are planning open days with playful activities in March where interested parents and children can visit the Kindergarten.

**7. What are the conditions for admission to kindergarten?**

- 3 years of age (children who reach the age of 3 by 31 August are required to attend kindergarten)
- compliance with the condition of room cleanliness
- At least one of the parents is an employee of MOL
- 

**8. If there is an oversubscription, how do you decide whose child will be admitted and who will not?**

- Application order

**9. What documents are required when enrolling in kindergarten?**

- Employer's certificate - MOL employment certificate
- Child's birth certificate
- Children's address card
- Child ID (if any)
- Children's Taj card
- Children's vaccination booklet
- Parent's identity and address card
- In the case of parents living separately, the consent to be placed in kindergarten
- Statement on the order to place a guardianship authority in foster care
- In the case of a non-Hungarian citizen, proof of the legal status of the child in the country

**10. When is the kindergarten open, what is the planned opening time, is it flexible?**

The planned opening hours are from 7:00 to 18:00, but at the beginning of the year we will assess the parents' need to open the kindergarten and determine the final opening hours accordingly.

**11. Do I have the opportunity to take the kindergarten occasionally, for a two weeks or an afternoon?**

Évigérő Ovi is a "public education institution" licensed in accordance with Hungarian law . It has a licensed pedagogical program and provides legally compulsory pre-school education in Hungary from the age of 2.5. The groups form a small community, with kindergarteners receiving personalized attention from kindergarten teachers and caregivers in a loving, caring atmosphere.

Casual childcare does not fit into this concept .

**12. How much does the kindergarten cost?**

Although MOL provides significant support for the maintenance of the nursery, MOL's parents also have to pay a fee. The basic fee is a meal + 40,000 HUF per month. Fees for additional occupations, mainly language and special sports, are not included.

**13. What language will the kindergarten be in?**

The institution is a Hungarian kindergarten, the kindergarten education is in Hungarian.

**14. Is there a foreign language education in kindergarten?**

Yes, we provide English language education for children.

**15. Will it be possible to join an English-speaking group?**

Kindergarten education is in Hungarian, but we will also organize playful classes in English if required. There will be an additional fee for English-language classes; it is expected to be [30,000] HUF / month, but we can tell you the exact information depending on the applications and the number of groups

**16. What is a kindergarten agenda like?**

- Morning arrival
- Free to play
- Breakfast
- Organized classes: English, movement, music, fairy tale poem, craft / weekly theme
- Salt room storytelling
- Individual and small group development sessions
- Ten o'clock
- Court game
- Lunch
- Recreation - A pre-school session for large groups

**17. How many times do children eat in kindergarten?**

3 main meals: morning, lunch snack

3 additional meals: before breakfast (who arrive very early), after snack (who stay in kindergarten for a long time)

**18. What kind of food do children get in kindergarten and where does it come from?**

The kindergarten has a heating kitchen equipped with the most modern equipment. Due to the very strict regulations for child feeding, meals are provided by a professional baby food company. The selection was based on direct experience from a kindergarten operator operating several corporate kindergartens.

**19. Is it possible to feed children with food allergies in kindergarten?**

kindergarten can provide a diet that meets the increasingly common allergic eating needs (gluten , lactose ) today . It is also possible to receive children with diabetes. We recommend that you consult the management of the kindergarten directly about special needs

**20. Can the kindergarten accept children with special needs?**

There are flexible options, but we can answer these questions individually. Please contact us for special care needs.

**21. What additional occupations will there be?**

In the afternoon, we organize classes between 4 pm and 6 pm, taking into account the needs of the parents. For example: Soccer, chess, folk dance, karate, yoga, developmental gymnastics, crafts, music

**22. Is there a swimming lesson in kindergarten?**

According to the needs of parents, we organize swimming lessons in the form of professional circles.

**23. Do the children sleep in the nursery in the afternoon?**

Rest and sleep are essential for the proper development of the nervous system. In large groups, the rest time is shortened and the children take part in pre-school classes.

**24. Dance, nurturing Hungarian traditions, folk dance, do they appear in the life of the institution?**

Folk dance appears in the afternoon as a professional session in kindergarten.

**25. Is there speech therapy, preparation for school?**

In the kindergarten, development educators and speech therapists help the development of children, and in addition to group school preparation, we organize special preparation sessions for the large age group as part of a school preparation program.

**26. Do I have to prove my child's absence?**

Kindergarten education is compulsory from the age of 3, so all absences must be justified.

**27. When is a medical certificate required?**

Medical certification is required in case of return from illness.

**28. What happens if I quit or lose my job?**

**29. Will there be mixed groups?**

Mixed groups will be formed in the kindergarten.

**30. How is getting used to it?**

The inclusion period is important and crucial in children's lives and therefore requires great care. Admission is tailored to the individual and the child, in a form discussed and agreed with the teacher.

**31. What should the children bring with them?**

Only the child's personal belongings are to be brought to kindergarten:

- indoor dress, shoes
- shift dress / spare dress
- gym equipment (white-soled sneakers, shorts)
